

## **A Good Place to Turn Around ( Point of Grace Version)**

Intro: F – C – Dm – Bb

F C

Devil's highway he's right beside me

Dm Bb

Whispering in my ear

F C

He drew the map and set the trap

Dm Bb

But I'm the one that got me here

F C

Made a mess of my whole life

Dm Bb

Burned every bridge I crossed

Gm

Am I too far gone which way is home

Bb C

How did I get so lost

### **Chorus:**

Bb F C Dm

I'm looking for a good place to turn around

Bb F C

And get off this road that I'm headed down

Bb F

I've gotta find some peace of mind

C Dm

Lord, send a sign somehow

Bb F C F

I just need a good place to turn around

( Break )

C - F - Bb

F C

If You can hear me, I'm on empty

F Bb

Forgive me of my past

F C

For being hateful to every angel

Dm Bb

You put into my path

F C

For mama's tears and wasted years

Dm Bb

And getting so off track

Gm

I'll do anything, is there any way

Bb C

That You can take me back

**Chorus:**

Bb F C Dm

I'm looking for a good place to turn around

Bb F C

And get off this road that I'm headed down

Bb F

I've gotta find some peace of mind

C                    Dm

Lord, send a sign somehow

Bb                    F                    C    Bb    Gm Dm Bb Gm C

I just need a good place to turn around Hey yeah.....

**F                    C**

In the dead of night I see a light

F                    Bb

Shining up ahead

F                    C

There's a parking lot, I had to stop

Dm                    Bb

'Cause the little church sign says

**Chorus:**

F    C            Dm

Are you looking for a good place to turn around

Bb                    F            C

And get off that road that you're headed down

Bb                    F

You can find some peace of mind

C                    Dm

What better time than now

Bb                    F            C                    Dm

Are you looking for a good place to turn around

Bb                    F            C            F

This feels like a good place to turn around

C – F - Bb
